An English translation of the Latin edition

**Note on this translation.** This English text was produced by a machine-assisted translation pipeline from an OCR transcription of the source Latin edition. The draft translation was made by a specialised translation model, assisted by a dedicated ecclesiastical-Latin knowledge base which supplied Douay–Rheims wording for Scripture quotations and verified place-names and terminology. It is an unofficial reading aid and has *not* undergone formal scholarly revision; occasional errors will remain, particularly in the dense citation apparatus. Marginal references of the form [*Latin ed. p. N*] indicate the corresponding page of the source edition, for alignment with the original scans. Blank leaves and unreadable pages have been omitted.
